Dear All,

As we step into the vibrant month of May, I take great pride in reflecting on the milestones we've achieved at the start of this academic session. Our Summer Camp was a wonderful blend of learning and fun. Our students participated wholeheartedly, exploring new skills and building confidence outside the classroom.

Another proud moment for us was our participation in the Odisha Education Conclave, an enriching experience focused on collaborative solutions for better learning outcomes.

I am also thrilled to share the outstanding performance of our students in the AISSE, 2025. With many students scoring above 90%, and a few securing a perfect 100 in a subject, our school has once again proven its academic excellence. Congratulations to all the achievers, teachers, and parents!

At VFS, we are committed to nurturing every child's all-round development — academically, creatively, and emotionally. Let us continue this journey of growth and success together.

Warm Regards,
Principal

Where Young Minds Bloom

The month of May brought with it the much-awaited Summer Camp, a vibrant blend of fun, fitness and creativity. Our enthusiastic students immersed themselves in a wide range of activities that not only provided recreation but also nurtured their talents and interests.

From the rhythm of dance and music to the soothing tones of instrumental music, students explored the world of performing arts. Those inclined towards strength and discipline took part in martial arts, while curious young minds were introduced to the exciting world of technology through AI training sessions.

The spirit of sportsmanship shone through in cricket matches and students found balance and peace through yoga sessions. Creativity bloomed in crafting workshops, while adventure lovers enjoyed tracking activities, building confidence and team spirit. A special day out at the water park added a splash of joy, leaving children refreshed and smiling.

The camp was a perfect platform for students to unwind, discover new interests and create lifelong memories. It was a summer well spent — full of energy, expression and exploration.

Shaping the Future of Education

On 20th May 2025, Odisha Education Conclave was held at Hotel Grand Shiva, where principals from all schools in Sambalpur, including our principal, actively participated. The programme focused on discussing key issues in education, finding practical solutions, and planning for the future.

Topics like learning gaps, use of technology, student well-being, and teaching methods were addressed. The conclave aimed at improving the overall quality of education in the state. Our school is proud to be part of such progressive discussions.

From Classrooms to Columns — The Sambad Agrayodhi Victory

We are proud to share that our students have been honoured with the prestigious **Sambad Agrayodhi Award 2025** for their outstanding performance in the AISEE, 2025. This recognition by Sambad, one of Odisha's leading newspapers, is a testament to our students' hard work, perseverance, and academic excellence. Their achievement not only brings glory to the school but also inspires others to strive for greatness.
